

Hi,

Thank you for choosing Two Bald Bikers Motorcycle Training for your Learn to Ride / Basic Handling course.

We will do our very best to make your day fun, informative, low stress and safe. If you have signed up for both the learn to ride and basic handling then we will supply lunch for you at the training ground, please let us know if you have any special dietary requirements.

Hydration is very important to maintain focus and energy levels when training so we supply a chilli bin full of cold drinks for you to enjoy during the day.

In order to meet NZTA requirements can you please ensure that you are wearing long pants and sturdy footwear (jeans and boots would be best) and a front fastening jacket or long sleeve top.

If you have booked a motorcycle hire then we will supply you with a helmet and gloves.

Please ensure you bring either your drivers licence or some form of photo ID (we are required by NZTA to sight identification)

Our training ground is located at the old Wainuiomata College campus;

Moohan Street

Wainuiomata

A google map route from SH1 in Petone can be viewed here: <http://goo.gl/maps/G1RhD>

Looking forward to seeing you on the day.

Kind Regards

Ross Gratton & Stuart Nelson
