Please provide details:

What concerns you most (if any) about pregnancy, birth or the postnatal period?

THE BUMP ROOM PARTICIPATION INFORMED CONSENT

You must agree to the client disclaimer below before participating in our classes.

Please read carefully, sign and date.

Every precaution will be taken to ensure your safety during participation in these classes. With that in mind, you are aware of the risks involved. You agree that certain elements of the classes will be physically demanding. You agree that you are physically capable of participating in the sessions and accept full and complete responsibility for your own participation in the class. You agree that should any medical or physical problem arise prior to or during a class which is likely to affect your ability to participate in a class you will inform the Physiotherapist Instructor and discuss.

I agree to the terms and conditions stated above.

My GP and/or Obstetrician are aware that I am commencing exercise and have given me clearance to attend.

The Bump Room classes will begin at a low level and will be advanced in stages. You may stop whenever you wish because of feelings of fatigue or discomfort.

Please be aware of the following warning signs to stop exercising when pregnant;

VAGINAL BLEEDING, SHORTNESS OF BREATH AT REST, DIZZINESS, HEADACHE, CHANGES IN VISION, CHEST PAIN, SEVERE ABDOMINAL OR BACK PAIN, CALF PAIN OR SWELLING, AMNIOTIC FLUID LEAKAGE.

Please tick if you consent to be added to your local Bump Room 'Whats App' group managed by your instructor to share information between the group members.
