We always like to hear from past students, so if you start up a new career or renovate a property or just "do up" your own house, we'd love to see and hear about it. We give a £25 discount voucher to spend on our Draper DIY tools if we publish your story.

We're always at hand to give advice and if you haven't already viewed the "How Too" sections on the website, you'll find lots of information to remind you of the things you learnt on your course. We're always adding to these sections, but in the meantime, please contact us if you've forgotten something from the course as we can always point you in the right direction.
