

All About STEM Media Consent Form 2018

Name of the child's parent/guardian: _____

Name of child: _____

School: _____

Occasionally All About STEM LTD may take photographs of young people at our events. We may use these images in our organisation's promotional material or in other printed publications that we produce, as well as on our website. We may also make video recordings for use on our website or other educational use.

From time to time our events may be visited by the media who will take photographs or film footage of the event. Pupils may appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the school.

Please circle your answer

Conditions of use

This form is valid for five years from the date you sign it, or for the period of time your child attends this school. The consent will automatically expire after this time.

We will not re-use any photographs or recordings after your child leaves this school.

We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image on video, on our website or in any of our other printed publications.

We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website, in our promo materials or in other printed publications.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption.

If we name a pupil in the text, we will not use a photograph of that child to accompany the article.

We may use group or class photographs or footage with very general labels, such as 'a science workshop' or 'making a robot kit'.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
