### About Class Passes

Class Passes save you money and are really flexible. They are great for regular members! It's easy for you to login and book the classes you want, when you like. *Just remember to check the class 'detail' description to ensure it relates to your level of experience.*

Autumn Term Passes run from September to December 2019.

They are valid for ALL single Classes: Improvers, Ensemble, Musical, Voice and Movement, Improv Fix etc. (They are NOT valid for Beginners Courses.)

Usage starts from the date of the first class ticket you book with your pass (not the date you purchase your pass). So, you can buy your pass, then book your classes as and when. You just need to book one class with your pass to start with.

You can purchase Standard/Concessions Passes for:

- 3-classes: lasts 1 month = £39/£33 (saves £6/£3)
- 6-classes: lasts 2 months = £75/£60 (saves £15/£12)
- 9-classes: lasts 3 months = £99/£85 (saves £36/£23)
- 12-classes: lasts 3 months = £126/£108 (saves £54/£36)

When you buy your pass, you will be prompted to book your first class ticket. You need to book at least one class ticket at this time. You can book them all at once, or return later to book the rest, or make changes if you need to.

- You can login to cancel a class ticket up to 2 hours before the session starts. If you don't cancel your class ticket in time, it will automatically be counted as used.
- You can login to transfer your class ticket up to 8 hours before the session starts. You can only transfer a single class ticket once, not multiple times.
- Classes must be redeemed within the current term, and the above timescales. They can't be carried over to the next.
- Your Class Pass is personal to you. You can gift the whole pass to another attendee, but not in part. It cannot be shared with another person.
- Class Passes are non-refundable.

Regular classes are individually priced at £15/£12. Monthly specials, such as Voice and Movement, cost £12.50/£10. There is always a saving when you book 3 or more classes.
