

Advanced Practitioner Follow up day

This day is for fully qualified Licensed Attention Autism Advanced Practitioners and is an annual event. Attendance at one follow up day is an essential part of Advanced Practitioners maintaining their licence and status as an Advanced Practitioner.

The follow up day is a great opportunity to catch up with your colleagues, get up to date in any changes and developments in Attention Autism. We will work with an invited tutor to inspire our practice and generate new ideas for our work.

Travel

The venue is 10 minutes walk from Guildford mainline station and the bus station. There is parking in Guildford but please allow time for traffic!

Please note there is no parking available at the venue, so if driving bring some cash or credit/debit card to pay in the parking machines. Information about car parks can be found here and you need to be sure to find one that allows all day parking, some only allow 2 hours: <http://www.guildford.gov.uk/carparks>

There is a good Park and Ride service as well and it's much cheaper! http://www.surreycc.gov.uk/_data/assets/pdf_file/0008/7928/Guildford-park-and-ride.pdf

Venue Address

Guildford Baptist Church, Millmead, Guildford, Surrey GU24BE
The map and directions are available on this link:

<http://www.guildfordbaptist.org/about/how-to-find-us/>

Resources for the day

We provide tea and coffee throughout the day. Guildford High Street is 5 minutes away and there are lots of choices and options for lunch available in the supermarkets/coffee shops etc. We provide handouts for the day. The workshop is very practical and we will be getting down on the floor and trying out activities so please leave the Gucci at home and come in comfortable casual clothes.

Timings

You are welcome to join us from 9.15 onwards to register, settle in and help yourself to a coffee. I am afraid we are not able to get into the building much before then so 9.15 or after please. The workshop will start very promptly at 9.45 am and we do try and stick to the timings for the day overall but sometimes life gets in the way and we shorten the lunch break a bit to make sure everything will fit in!

Contact

If you need to contact us on the day the number is 07704606907 but once the workshop is underway the mobile will be switched to silent and we can only check it in the breaks.

Recording and Photos

Please note that there may not be any recording or photographs taken during the workshop.

Please follow the link to book and pay with our online booking system to secure a place. Once booked and paid for your place is guaranteed!
